

## So Hard Done By

The Tragically Hip

Interesting and sophisticated  
Refusing to be celebrated  
It's a monumental big screen kiss  
It's so deep it's meaningless

One day you'll just up and quit  
And that'll be it  
Just then the stripper stopped in a coughing fit  
She said, "Sorry, I can't go on with this"

Yeah, that's awful close but that's not why  
I'm so hard done by

It was true cinema-a-clef  
You should see it before there's nothing left  
In an epic too small to be tragic  
You'll have to wait a minute 'cause it's an instamatic

Yeah, that's awful close but that's not why  
I'm so hard done by

Just then the room became more dimly lit  
As the MC carried on with it  
And now that I've got you all strangely compelled  
I'm afraid Candy's not feeling well

Close but that's not why  
I'm so hard done by
