## So Hard Done By

## The Tragically Hip

Interesting and sophisticated Refusing to be celebrated It's a monumental big screen kiss It's so deep it's meaningless

One day you'll just up and quit
And that'll be it
Just then the stripper stopped in a coughing fit
She said, "Sorry, I can't go on with this"

Yeah, that's awful close but that's not why I'm so hard done by

It was true cinema-a-clef You should see it before there's nothing left In an epic too small to be tragic You'll have to wait a minute 'cause it's an instamatic

Yeah, that's awful close but that's not why I'm so hard done by

Just then the room became more dimly lit
As the MC carried on with it
And now that I've got you all strangely compelled
I'm afraid Candy's not feeling well

Close but that's not why I'm so hard done by
