

# Shout

The Trammps

I feel alright  
Now that I got you, my woman  
I just want you to know  
I feel pretty good

Just come on, uh  
Just come on, y'all, come on  
Just come on

Oh, you make me wanna  
(Shout) Kick my heels back  
(Shout) Throw my hands up  
(Shout) Throw my head back  
(Shout) Come on now

And don't forget to say you will, yeah, yeah  
(Shout) Don't forget to say yeah, yeah, yeah, yeah, yeah

(Say you will) Say it right now, baby  
(Say you will) Come on, come on  
(Say you will) Say that you!  
(Say you will)

(Say) Say that you love me  
(Say) Say that you need me  
(Say) Say that you want me  
(Say) You wanna please me

(Say) Come on now  
(Say) Come on, baby  
(Say) Come on, honey  
(Say) Come on now

Oh, I still remember  
When you used to be nine years old, yeah, yeah  
I was a fool for you  
From the bottom of my soul, yeah, yeah

Now that you're grown up  
And you're old enough to know, yeah, yeah

Just make me shout  
I wanna shout now  
I need to shout, baby  
Oh, hey!

I still remember  
When you used to be nine years old, yeah, yeah  
I was a fool for you  
From the bottom of my soul, yes, I was, honey

Now that you're grown up  
And you wanna let me know, yeah

Now you wanna leave me  
And you wanna let me go

Oh  
I don't want nobody else  
All I need is you  
You picked me up when I was falling down  
And made my life brand new, yeah

Can't you feel it in the morning?  
Can't you feel it in the evening?  
Midnight hour, can't you feel it?  
Love to love to love you, you make me wanna shout

Shout, shout, shout, shout....  
Everybody shout  
Everybody shout  
Everybody shout
