## **Zing Went The Strings Of My Heart**

## The Trammps

Never could carry a tune, never knew where to start You came along when everything was wrong and put a song in my h eart

Dear when you smiled at me, I heard a melody It haunted me from the start Something inside of me started a symphony Zing! Went the strings of my heart

'Twas like a breath of spring, I heard a robin sing About a nest set apart All nature seemed to be in perfect harmony Zing! Went the strings of my heart

Your eyes made skies seem blue again What else could I do again But keep repeating through and through 'I love you, love you'

I still recall the thrill, guess I always will I hope 'twill never depart Dear, with your lips to mine, a rhapsody devine Zing! Went the strings of my heart

Dear when you smiled at me, I heard a melody It haunted me from the start Something inside of me started a symphony Zing! Went the strings of my heart

'Twas like a breath of spring, I heard a robin sing About a nest set apart All nature seemed to be in perfect harmony Zing! Went the strings of my heart

Your eyes made skies seem blue again What else could I do again?
But keep repeating through and through 'I love you, love you'

I still recall the thrill, I guess I always will I hope 'twill never depart

Dear, with your lips to mine, a rhapsody devine

Zing! Oh, Oh, Oh went the strings of my heart
