

# King Of The Surf

## The Trashmen

Well we're takin' my woodie and headin' on down  
Where the cool cool surfers all gather round  
Got a brand new board and I'm ready to fly  
I'll be shootin' the curl before the sun is high  
Show those hodads, gremmies, heroes too  
The kinda' high ridin' real surfers too

Well I'm a high ridin' surfer and it takes three crunchers and  
a heavy  
to wipe me out  
I can do a double spinner before you count to three  
Whoa oh, king of the surf that's me  
Whoa oh, king of the surf that's me

Well I'm a real hot-dogger so very alive  
When I'm ridin' the cruncher and a'hangin' five  
Listen to the roar of the shore break sound  
Keep on surfin' till the sun goes down  
Grab your honey and a'hold her tight  
We're gonna have a surfin' party tonight

Well I'm a high ridin' surfer and it takes three crunchers and  
a heavy  
to wipe me out  
I can do a double spinner before you count to three  
Whoa oh, king of the surf that's me  
Whoa oh, king of the surf that's me

Surf City's callin' me and a'man oh man  
Gonna find a surf baby grab her by the hand  
Gonna build a fire, gonna build it right  
We're gonna dance on the beach, gonna dance all night  
Dance and sing the whole night away  
And be ridin' our surfboards well the very next day

Well I'm a high ridin' surfer and it takes three crunchers and  
a heavy  
to wipe me out  
I can do a double spinner before you count to three  
Whoa oh, king of the surf that's me  
Whoa oh, king of the surf that's me  
Whoa oh, king of the surf that's me  
Whoa oh, king of the surf that's me
