Sleeper

The Trashmen

Sleeper, Sleeper, Sleeper, Sleeper There's an old grey coupe been comin' around and it looks like nothin' but sad All scratched and dirty with a cracked windshield and the paint job's really bad Well her fenders shake and a taillight's gone and the rust is s howin' through She's a dog on top but a devil underneath and she'll make a foo l of you Sleeper, Sleeper, watcher kinda close don't laugh too loud or s mile She may look funny but don't you know, that bone yard devil can really qo Nine flat in a quarter mile Sleeper, Sleeper, watcher kinda close don't laugh too loud or s mile She may look funny but don't you know, that bone yard devil can really go Nine flat in a quarter mile She's a dog on top and a devil underneath and you wouldn't beli eve your eyes When she leaves a Cobra sittin' on the line, somebody's gonna g et wise Well nobody's touched that old grey coupe and nobody's shut her down Comin' long side or waitin' for the light, you can hear that bi q bad sound Sleeper, Sleeper, leave me alone don't want no more I'm wise She may not shine or look so neat, with her tailpipe draggin' d own the street But it's just a big disguise Well it's just a big disguise Well it's just a big disguise Sponzor: www.srovnavac.cz - šetříme na pojištění! Well it's just a big disguise
