

## Departed

## The Treatment

You put me down but I get back up again  
And now I know you're a real big liar  
The ball is back in to my court again  
Ain't nothing more that you can do to me  
I've put you out and I steal your fire  
And now I'm standing where you want to be

Bang bang bang  
I see your empire falling  
Bang bang bang  
I see no phoenix calling  
Bang bang bang  
Do you accept defeat?  
Bang bang bang  
This fate you have to meet  
Departed! Departed!

You silly thing you really didn't know  
Where you can and where you could not go  
And with a smile I say I told you so

Although it doesn't mean a lot to me  
It's good to see you are on the floor  
I bet you won't be doing this no more

Bang bang bang  
I see your empire falling  
Bang bang bang  
I see no phoenix calling  
Bang bang bang  
Do you accept defeat?  
Bang bang bang  
This fate you have to meet  
Departed! Departed!

You think you're gonna start it up again  
But you 'll be here until I don't know when  
I think I'm gonna have to laugh again  
Why did you mess with what you didn't know?  
And now they see you're a real big liar  
So there's the door, I think you better go

Bang bang bang  
I see your empire falling  
Bang bang bang  
I see no phoenix calling  
Bang bang bang  
Do you accept defeat?  
Bang bang bang  
This fate you have to meet  
Departed! Departed!
