

## In My Chair

### The Treatment

(Cover / Status Quo)

I saw her talking, now  
My ears were burning  
Her feet startet walking, now  
They started turning  
My eyes were half open  
But she didn't see me there  
We ran along, walking 'cross the roof-tops  
In my chair

Had a car in my pocket  
And we started moving  
A man in a helmet said  
"What's that you're using"  
My eyes were half open  
But we didn't see him there  
Put the car back in my pocket  
And I'm still here in my chair

My teeth were laughing, now  
We couldn't stop smiling  
We danced to the Mystery Band  
Without even trying  
My eyes were half open  
But we didn't see them there  
We ran along, walking 'cross the roof-tops  
In my chair  
We ran along, walking 'cross the roof-tops  
In my chair  
Yeah in my chair  
Alright
