

# Running With The Dogs

## The Treatment

Let me put your mind at ease  
the bidding has begun  
Out here on these lonely streets  
you're not the only one.

I see you on the ropes again,  
you never learn  
you never mend

All the things you think you know  
have to go  
Running in the alley with the dogs  
You say rescue me  
Set you free  
Running in the alley with the dogs  
Running with the dogs  
Running in the alley with the dogs  
Running with the dogs

You are looking pale and weak  
Your body is not strong  
It don't make much sense to me  
Why you carry on

I see you on the ropes again  
without a hope,  
without a friend

All the things you think you know  
Have to go running in the alley with the dogs  
You say rescue me  
Set you free  
Running in the alley with the dogs  
Running with the dogs  
Running in the alley with the dogs  
Running with the dogs

I can see what lies ahead of you  
Time is passing, what can we both do  
But die?

I see you on the ropes again  
you only hurt,  
you only bend

Let me put your mind at ease  
Let me put your mind at ease

Running in the alley with the dogs  
Running with the dogs  
Running in the alley with the dogs  
Running with the dogs  
Running in the alley with the dogs  
Running in the alley with the dogs  
Running in the alley with the dogs!
