

Winter sun

The Treatment

Don't want your money
Don't need your fame
Give me some freedom
So I can ride again

Untie your shackles
They're holding me down
You can keep all I work for
Ain't me that's gonna drown

All that they're supposed to do
Has never been done
And well, if not for you
I would be gone

I love everything about you now
You're still the only one

My winter sun, yeah
My winter sun, oh yeah

Don't want your worries
Don't need no games
Just take what you came for
'Cause I won't be back again

And there is more to me
Than they will ever know
I'm saving everything
For when we both go

I love everything about you now
Now all is said and done

My winter sun, yeah
My winter sun, oh yeah

What am I supposed to do?
They tie you up and laugh in your face
But I've found a way to walk around, yeah
Well I'm having so much fun
You said stand and don't you dare run
You keep my feet on solid ground

Don't give me money
Don't give me fame
Just give me some freedom
So I can live again

Don't want your worries
Don't need no games
Just take what you came for
'Cause I won't be back again

All that they're supposed to do
Has never been done
And, well, if not for you

I would be gone

I love everything about you now
You're still the only one

My winter sun, yeah
My winter sun, oh yeah
Sun, yeah
Sun, oh yeah
