

## Be Mine

The Tremeloes

There's a special kind of hurt  
Comes when you are lonely  
Feeling tearing at my heart  
Know it's for you only

Reach out for me  
Reach out with your loving heart  
Be mine... (Be mine for long)  
Be mine... (Be mine forever)

In the quiet of my world  
There's no sound of cheering  
There's no matter in the sound  
Lost and no one near me

Reach out for me  
Reach out with your loving heart  
Be mine... (Be mine forever)  
Be mine... (Be mine for long)  
Be mine forever...
