

# Here Comes My Baby

The Tremeloes

In the midnight, moonlight hour  
He's walking along that lonely lonely mile  
And every time I do  
I keep seeing this picture of you  
Here comes my baby, here she comes now  
And it comes as no surprise for me, with another guy  
Well here comes my baby, here she comes now  
Walking with her love, with her love, that's oh so fine  
Never to be mine, no matter how I try  
You never walk alone  
And you're forever talking on the phone  
I tried to call you names  
But every time it comes out the same  
Here comes my baby, here she comes now  
And it comes as no surprise for me, with another guy  
Well here comes my baby, here she comes now  
Walking with her love, with her love, that's oh so fine  
Never to be mine, no matter how I try  
Here comes my baby, here she comes now  
And it comes as no surprise for me, with another guy  
Well here comes my baby, here she comes now  
Walking with her love, with her love, that's oh so fine  
Never to be mine, no matter how I try
