

# Me and My Life

The Tremeloes

Mama, let me go, I don't want to stay  
Hey Daddy, put your whip away  
I wish, I was away, away, away  
Hey mama  
Maybe I'm a loner but I've got to say  
Hey, I've got to try to break away  
I wish, I was away, away, away  
Hey mama  
Wouldn't I like to have my own mind  
Living on my own [Incomprehensible] just fine  
Oh, me and my life  
Me and my life  
Oh, me and my life  
Oh, me and my life  
Me and my life  
Oh, me and my life  
Mama, let me go, I don't want to stay  
Hey Daddy, put your whip away  
I wish, I was away, away, away  
Hey mama  
Wouldn't I like to have my own mind  
Living on my own [Incomprehensible] just fine  
Oh, me and my life  
Oh, me and my life  
Oh, me and my life  
Me and my life  
Oh, me and my life  
Me and my life  
Oh, me and my life  
Me and my life, me and my life  
Oh, me and my life
