

# Shake Hands (And Come Out Crying)

The Tremeloes

Give me heartaches, scold me  
Give me cause to hurt again  
Hear me, well, now  
Can't be blamed  
Let's shake hands (Shake hands)  
Let's shake hands (Shake hands)  
And come out crying (Crying)  
Come out crying (Crying)  
Crying enemy  
Give me sadness, bring to me  
Give me credit for not being any good  
One more teardrop from the heart  
Let's shake hands (Shake hands)  
Let's shake hands (Shake hands)  
And come out crying (Crying)  
Come out crying (Crying)  
Crying enemy  
Let's shake hands (Shake hands)  
Let's shake hands (Shake hands)  
And come out crying (Crying)  
Come out crying (Crying)  
Crying enemy
