

Too Many Fish In the Sea

The Tremeloes

Look here, girls: Take this advice & remember always in life.
Into each heart some tears must fall
Though you love & lose you must stand tall
'Cause you all got to cry sometimes, I say, sigh sometimes
Pull yourself together, no use cryin' forever

Because there are
(Too many fish in the sea, too many fish in the sea)
I say, there are short ones, tall ones, fine ones, kind ones
(Too many fish in the sea)

My mother once told me somethin', & every word is true:
Don't waste your time on a fella who doesn't love you
They'll only mislead you, only grieve you
Don't worry about him, let him go, do without him

Because there are
(Too many fish in the sea, too many fish in the sea)
I say, there are short ones, tall ones, fine ones, kind ones
(Too many fish in the sea)

If a fish isn't on your line
Bait your hook & keep on tryin'
Don't let him get you down
There's other boys around

Because there are
(Too many fish in the sea, too many fish in the sea)
I say, there are short ones, tall ones, fine ones, kind ones
(Too many fish in the sea)

I don't want nobody who don't want me
('Cause there's too many fish in the sea)
Ain't gonna love nobody who don't love me, now
('Cause there's too many fish in the sea)
I don't need nobody who don't need me
('Cause there's too many fish in the sea)
I don't want nobody who don't want me, now
('Cause there's too many fish in the sea)
Ain't gonna love nobody who don't love me
('Cause there's too many fish in the sea)
