

If You Wanna Start Again

The Trews

If you wanna start again
You're going to need to find the strength within
Know your real friends, let the right ones in
Forgive yourself to forget

If you wanna start again
Tired of the ghostly shapes you're seeing
The hard life your living
The self destruction
You've gotta find a way to let love in

Lost in the night
Running afraid
Looking for life at the end of the day

Woo hoo woo hoo ooo
Woo hoo hoo

If you wanna start again
You can talk to me in confidence
Everybody needs help when they're going through hell
And baby I can see you're not doing well

Loosing the light
Feeling the fade
Praying to find your way back from the grave

Woo hoo woo hoo ooo
Woo hoo hoo ooo

Soon your heart will find everything you need
Soon your heart will find the space you need to breath
Soon your heart will find where you've got to be
Soon your heart will find a way to set you free

Lost in the night
Running afraid
Looking for life at the end of the day

Loosing the light
Feeling the fade
Praying to find your way back from the grave

Woo hoo woo hoo ooo
Woo hoo hoo ooo
Woo hoo woo hoo ooo
Woo hoo hoo ooo
Woo hoo woo hoo ooo
Woo hoo hoo ooo
Woo hoo woo hoo ooo
Woo hoo hoo ooo
Woo hoo woo hoo ooo
Woo hoo hoo ooo
