

## Tired Of Waiting

The Trews

I am wired and fading  
Looking blind and blaming  
Following and trailing words  
You might be saying

I am tired of waiting  
I'm tired of waiting  
I am tired

Altered expectations  
Long anticipation  
Everything is changing  
I'm the same and aging

I'm tired of waiting

I am tired of waiting  
I'm tired of waiting  
I am tired

I am tired of waiting  
I'm tired of waiting  
I am tired

I am tired of the long way down

So I stand  
To let you down here alone  
I can't seem to dream of you  
No more

I am tired of waiting  
I'm tired of waiting  
I am tired

I am tired of waiting  
I'm tired of waiting  
I am tired

I am tired of waiting  
I'm tired of waiting  
I am tired

...
