

Give It To Me

The Troggs

Give it to me, give it to me
All your love, all your love
Give it to me, give it to me
All your love, all your love
And I'll know, and I'll know

When you come, when you come
I'll be there, I'll be there
When you come, when you come
I'll be there, I'll be there
And I'll know, and I'll know

Darling, I'll know you'll come to me
I'll be there waiting so patiently
All that I want, all that I need
Is someone to love me and so

Give it to me, give it to me
All your love, all your love
Give it to me, give it to me
All your love, all your love
And I'll know, and I'll know

Oh, give it to me, give it to me
All your love, all your love
Give it to me, give it to me
All your love, all your love

Give it to me, give it to me
All your love, all your love
Give it to me, give it to me
