

Love Is All Around

The Troggs

I feel it in my fingers, I feel it in my toes
Love is all around me and so the feeling grows
It's written on the wind, it's everywhere I go
So if you really love me, come on and let it show

You know I love you I always will
My mind's made up by the way that I feel
There's no beginning, there'll be no end
Cause on my love you can depend

I see your face before me, as I lay on my bed
I kinda get to thinking of all the things we said
You gave a promise to me, and I gave mine to you
I need someone beside me in everything I do

You know I love you I always will
My mind's made up by the way that I feel
There's no beginning, there'll be no end
Cause on my love you can depend

It's written on the wind, it's everywhere I go
So if you really love me, come on and let it show
Come on and let it show (repeat)
