

## Attack Of The Fifty Foot Woman

The Tubes

It was a normal date with my girlfriend Sue  
Blond hair, blue eyes, and five-foot-two  
The night was cold, the stars were bright  
From over her shoulder came a strange light

We parked the car down at Three-Mile Point  
The top was down, we were really going  
I heard her cry, the reactor flared  
She grew and grew, I freaked and stared

Attack of the fifty-foot woman  
Our love was at an end  
All she did to get her kicks  
Was step on all the men

I had to run just to save my skin  
She scooped me up, I could not win  
'my God,? I screamed, to my distress  
Got a fifty foot woman in a five-foot dress

Attack of the fifty-foot woman  
Our love was at an end  
All she did to get her kicks  
Was step on all the men

Attack of the fifty-foot woman  
Our love was at an end  
All she did to get her kicks  
Was step on all the men

Look out here she comes  
The biggest pair on earth  
So scared I gotta go with her

The National Guard couldn't shoot her down  
Before she left she really trashed our town  
She left me there, though I tried and tried  
A fifty foot woman's never satisfied

Our love was at an end  
All she did to get her kicks  
Was step on all the men
