

## Fastest Gun Alive

The Tubes

Do you know that I was once famous  
with a cool hand and a deadly aim  
As the years passed with the reputation  
they still ask can I still play the game

A tall order  
I don't know if I'm that spry  
Fastest gun alive  
Is the borderline that wide  
Fastest gun alive  
I'm a wanted man

Guess I told you that I hung my hat up  
I was all through with the dusty plain  
Now the old's new and the question's--how much  
will you still do for the price of fame

A tall order  
I don't know if I'm that spry  
Fastest gun alive  
Is the borderline that wide  
Fastest gun alive  
I'm a wanted man

How could it I be  
the face on this reward  
And they tell me I'm a desperate man  
but I'm only tired of being bored
