Fastest Gun Alive

The Tubes

Do you know that I was once famous with a cool hand and a deadly aim As the years passed with the reputation they still ask can I still play the game

A tall order I don't know if I'm that spry Fastest gun alive Is the borderline that wide Fastest gun alive I'm a wanted man

Guess I told you that I hung my hat up I was all through with the dusty plain Now the old's new and the question's--how much will you still do for the price of fame

A tall order I don't know if I'm that spry Fastest gun alive Is the borderline that wide Fastest gun alive I'm a wanted man

How could it I be the face on this reward And they tell me I'm a desperate man but I'm only tired of being bored
