

## How You Loved Me

The Turtles

Once I wished that I could be a king.  
Now I find that I have everything.  
And someday if I lose it all somehow  
I'll be happy to remember  
How you loved me.  
Once I wished that I could be in love.  
Now I found what I was dreaming of.  
Someday if I lose it all somehow  
I'll be happy to remember  
How you loved me.  
(How you loved me)  
Everything's a song  
Once you sing along.  
I will make a bad procession for you.  
For you.  
How you loved me.
