

# Makin' My Mind Up

The Turtles

Gary Montgomery; Jack Dalton  
Makin' my mind up  
Packin' my clothes today  
To run away with you  
Comin' to get you  
We'd better hurry now  
We've got so much to do  
Just me and you  
That's what we'll do  
We'll be so happy  
Even though some things  
We will have to do without  
Livin' together  
Leading a life  
Which no one else can talk about  
Just me and you  
That's what we'll do  
Just me and you  
We'll run away from here  
Leave our families all behind  
Stick with me and you shall have  
Peace of mind  
Makin' my mind up  
Packin' my clothes today  
To run away with you  
Comin' to get you  
We'd better hurry now  
We've got so much to do  
Just me and you  
That's what we'll do  
Just me and you  
We'll run away from here  
Leave our families all behind  
Stick with me and you shall have  
Peace of mind  
(Fade)  
Makin' my mind up  
Packin' my clothes today  
To run away with you
