

## Sound Asleep

The Turtles

Ba, da, da, da, da, da  
Daytime dreamin', gettin' involved only halfway deco  
Nighttime schemin', seemin' to be like I'm sound asleep  
Sound asleep, spendin' my time  
On a dream that I'm about to see come  
Sound asleep, keepin' my mind on you  
Children singing, something for all little yous and mes  
Winter springing, summer or fall  
Drifting away day by day, farther away  
(Far away)  
The better I feel  
Ba, da, da, da, da, da  
Ba, da, da, da, da, da, da, da, da  
Sound asleep, spendin' my time  
On a dream that I'm about to see come  
Sound asleep, keepin' my mind on you
