

You Baby

The Turtles

From the time I fall asleep
'Til the morning comes I dream about
You baby

And I feel all right
'Cause I know tonight I'll be with
You baby

And who makes me feel like smiling
When the weary day is through

Chorus:

You baby, no-one but you, baby, nobody but you [2X]

Verse 2:

They say candy is sweet
But it just can't compete with
You baby

You've got everything I need
And nobody can please like
You do, baby

And who believes that
my wildest dreams

And my craziest schemes will come true
[repeat chorus]

Bridge:

A little ray of sunshine
A little bit of soul

Add just a touch of magic
You got the greatest thing since rock 'n' roll
[repeat chorus (2X)]
