

## Feathers

### The Twilight Singers

Wherever you're going  
I know you knew  
That nobody cuts me  
Quite like you do

And i'm gonna crawl  
Not that it matters  
Nobody bleeds the way I do

Wherever you've gone  
I can follow  
The path of destruction  
You leave like crumbs

And i'm gonna crawl  
I'm gonna scratch and claw  
Though i am broken, i still bleed  
Whoever said?  
No wind, no rain, no conversation  
Will bring me back alive

I got it bad and i won't sleep  
Until i breathe the sweet perfume  
You love

You're gonna crawl, my precious  
I'm untethered  
Waving in the wind like feathers  
Feel you near me, disappearing  
If you take, you better kill me

Break me, steal me  
If you don't kill me  
I'm gonna crawl, til you crawl  
Crawl like them all, my precious  
I'm untethered  
Waving in the wind like feathers-  
Crawl, my love-
