

Ballet Dancer

The Twins

When you're dancing you're fantastic
All you're dressed in is elastic
You make art with twirls and spins
Can't wait till the show begins

Anyone can see
You were made to dance for me

Won't take no - no for an answer
You're my you're my ballet dancer
Won't take no - no for an answer

I've been here for every show
There's not a step that I don't know
I know your body small and neat
dancing on your dancing feet

Anyone can see
You were made to dance for me

Won't take no - no for an answer
You're my - you're my ballet dancer
Won't take no - no for an answer
