Herb Shuttles

The Underachievers

One mic, in the mothafuckin' studio

Spit gold, when a nigga hit this flow
You sink, we float, no heathens on my boat
Sour diesel when I hit good smoke
Guided by the light, nigga keep your dark
Third eye sharp like a mothafuckin' hawk
Heart stay mellow like a fuckin' meadowlark
Better play smart before you get eatin' by sharks, nigga

Enter the game, know what's up
Little bit of fame, little bit of drugs
Shawty see the chain, same night in her guts
We don't play, UA that's us
Smoking sensi, high sensei in your membrane
Men slay everyday, for the means of justice, trust it
Be the reason why I say "Fuck this, Fuck This"
Elevate my mind, I'mma push it

Ok, I'm smoking up on my herb shuttles
Elevated, nigga that's the motto
Floating up, a nigga live full throttle
That pink moscato, she drink the bottle
Knowledge nigga, crown the kings
Got the wisdom from the light like Socrates
You ain't about that life, nigga drop to your knees
In the presence of mothafuckin' legend my G

G, I'm a legend my G
Reefer blowin', sour diesel potent
Got my 3 eyes open, Pineal gland is swollen
Astral Planes I'm floatin', Goddammit, I'm free
I be GOD, please you are not in my league
Got the spirit of asata honor I be gavel free
Battle scars in my bars red star I'm elite
UA, elevate, feel the mark of the beast
