

Moonlight

We spend lifetime together feeling so right

Let's make it last forever

And I'll hold you tight

It's such a wonderful life

(wonderful life)

Moonlight

The streets are covered in a snowy white

I see the joy it brings when I look in your eyes

You're such a beautiful sight, oh

(What a beautiful sight)

I can't get you out of my mind

I can't lie

All I need is you in this special time

And I'm glad to say that you are mine

Cause I can't take it

This ain't nothing but a winter jam

Good times with family and friends whoa!

This ain't nothing but a winter jam

We're gonna celebrate as much as we can

(Much as we can)

(Much as we can)

This ain't nothing but a winter jam

We're gonna celebrate as much as we can

Hey-yeah, whoa-oh

Hey-yeah, winter...
