

Hard Luck

The Undertones

Hey - hey - hey

You come up to me
Saying that you can see
Whilst your in a hole
Your useless
Say you're not a friend
Drives you round the bend
Everything you does
Is success
Haven't you been told
You will soon be old
Bet your life will now
With a charm set

Hard luck - but you got what you wanted
Hard luck - but you got what you wanted of me
Hard luck - but you got what you wanted
Hard luck - but you got what you wanted of me
hard luck - Hard luck

He's been working hard
He can run a car
Only catching girls
That he knows
He gets out quite late
You lie on thill late
Lying in your bed
Reading Beanos
If you weren't like him
You may not have been
A song between
The sucking Venos

Hard luck ...

Hey - hey - hey ...

Hard luck
