The Undertones

There's a kiss in the dark Someone speaks Its a start Starts to cry Cries to stop Can't be nice for the time that we've got There's a kiss in the dark Turn on Turn away Start love and celebrate Tell me how What's wrong Happy times come down the phone There's a kiss in the dark ... Dreamsong Somewhere Listening in Up there Tell me how ... There's a kiss in the dark ... Happy now I'm there Take the wind its off again have you the heart to see Anymore you want of me There's a kiss in the dark ...
