

## Love Before Romance

The Undertones

She sends me underground  
When it shad to take the strain  
She sends me underground  
When it feels like its going to rain

Where's the love  
Where's the love  
Where's the love

I'm wholly high in the darkest night  
When suddenly I have to stop  
She sends me underground  
With the habits that she makes me drop  
Love before romance
