

## Wednesday Week

The Undertones

Here she comes to say good night  
I'll get no sleep tonight  
With a constant vision she still can see  
She was the girl for me

Wednesday week - she loved me  
Wednesday week - never happened at all

There she goes I want to see her again  
She's gone to school with her best friend  
She only does the things she likes to do  
Now she wants something new

Wednesday week ...  
Here she comes ...  
Wednesday week
