

Whizz Kids

The Undertones

A financial romance
Got what you wanted took your chance
So here we go again
These whizz kids will never end

Never - Never - they sit alone
We're together - with lots of your own
Nether - nether - second to none
Whizz kids - whizz kids - whizz kids - whizz kids

So now you've reached the top
Sweet success is all you've got
Well holidays don't last long
Enjoy it now before its gone

Never - Never
