Trip With Jesus

The Union Underground

Hey I'm a selfish servant low They lied a fear and loathing A chosen one it's so undone Load your gun the damage done

Never me they will fail to see I will get so high that I trip... Apathy and a bitter me I will fail to see That he walks among us

So what save it for your own Are you happy man I am Watch me fly I'm Superman

It's such a bore when I'm bringin' down that horse Just let me bleed one more just one more

It's such a shame that it is this way I'm a junkie God is gay Hate to bleed but it heals my pain Whatever man never never never

Trip...
