

# Do Your Own Thing

The Union

I live for the minute  
I live for a day  
Doin' my thing  
And you're doin' your own yeah  
Do what I wanna yeah  
Do what you wanna  
Keep your advice  
I'm wishing you well  
Your Beverly Hills  
But I vacation in Hell oh yeah  
Do what I wanna yeah  
Do what you wanna  
Your way isn't my way  
My word's not what you'd say

Do your own thing  
Your own thing  
Do your own  
Do your own thing (Repeat 3x)  
Do it!

Play the guitar  
A gypsy at heart  
You synchronize your  
Walks in the park oh yeah

Do what I wanna yeah  
Do what you wanna

I'm Jack & Coke and candy bars  
You're champagne and caviar  
Oh yeah

Your way isn't my way  
My word's not what you'd say  
My way isn't your way  
Your word's not what I'd say  
REPEAT CHORUS (3x )
