The Union

The world is going crazy or am I the one insane?
Sterilize emotions, wash your face in acid rain
Teacher's wearing armor, 'cause the student has a gun
Fishbowl's getting smaller and there's nowhere left to run

No more, no more
I can't take it anymore
No more, no more
No more, no more
I can't take it anymore
No more, no more

Religion purchased on TV, website genocide
Station loses ratings 'cause somebody has survived
All I eat is cancer, wash it down with STDs
Mother kills her babies
There's too many mouths to feed
