

Robin's Song

The Union

Is there something I could say to make you change your mind
Never thought I'd have to write this song (I was wrong)
When I see you on the streets I see it in your eyes
Your love is gone, my long was wrong

I hope you find the things you said you need
I'm just dying here 'cause it's not me

Do you think about me, smile without me, I can't stand this pain without you
Did somebody steal your heart away
Do you love without me, cry without me
Do you feel this pain that I feel
You're the only one to mend my heart

Everybody gives a smile and says to let you go
I don't know if I can be that strong
When you call me on the phone it hurts to say goodbye
My friend is gone 'cause my love was wrong

I hope you find the things you need
I've been crying here 'cause it's not me

Did you really feel the way you told me
Did you cry those tears or were you only joking

Do you think about me, smile without me, I can't stand this pain without you
Did somebody steal your heart away
Do you love without me, cry without me
Do you feel this pain that I feel
I guess somebody stole your heart from me
