

## Loud

## The Unjust

Only titles remember...  
Then you took it away...  
Broken Laws for the pleasure  
It seems to be.  
The more they fight we rebel  
It ain't so bad

We come Loud  
LOUD!

Different kinds put together  
Spoken thoughts twist of faith  
Lord knows it's the keys  
Hidden me!  
Then there's not much to say.  
It ain't so bad!

We come  
Loud  
Loud, Loud

I know, What it seems  
Take me, Open side.  
Take my breath away,  
Nothing else to say.  
Change the page of all  
To read Freedom, Justice,  
One Love, Kingdom, We Come!

Loud  
Loud, Loud  
We Come  
Loud  
Loud, Loud
