

# A Song to Stifle Imperial Progression (A Work in Progress)

The Used

God bless the USA  
God bless the USA  
God bless the USA

We're saying no way, no way USA  
By declaring war on terror you declare war on yourself  
We're saying no way, no way USA  
The war on drugs and poverty  
are only tools for gaining wealth  
We're saying no way, no way USA

Try mixing blood and oil in the Middle East  
Every president will "spread democracy"  
They say democracy, they really mean disease  
Not satisfied till everyone is on their knees

God bless the USA  
God bless the USA  
God bless the USA

We're saying no way, no way USA  
By declaring war on terror  
you declare war on yourself  
We're saying no way, no way USA  
The war on drugs and poverty  
are only tools for gaining wealth  
We're saying no way, no way USA

You occupy the peoples land  
and think we don't know what it's for?  
We're saying no way, no way USA  
Drill a hole and fuck the ground  
and spend the cash  
and print some more  
We're saying no way, no way USA

So God bless the USA for what it's worth and let it be  
Because there is no god  
There is no USA, from what I see

So God bless the USA for what it's worth and let it be  
Because there is no god  
There is no USA, from what I see

So God bless the USA for what it's worth and let it go  
It's just another lie we cannot buy  
Ran out of money long ago

By declaring war on terror  
you declare war on yourself  
We're saying no way, no way USA  
The war on drugs and poverty  
are only tools for gaining wealth  
We're saying no way, no way USA  
You occupy the peoples land  
and think we don't know what it's for?

We're saying no way, no way USA  
Drill a hole and fuck the ground  
and spend the cash and print some more  
We're saying no way, no way USA
