

From the way that you acted
to the way that I felt it
It wasn't worth my time
and now it's sad cause all I missed
wasn't that good to begin with
and now that I've started you begging
saying things that you don't mean
it isn't worth my time
a line's a dime a million times
and I'm about to see all of them
Goodbye to you, goodbye to you, you're taking up my time (3x)
Goodbye to you, goodbye to you
You call my name when I wake up
to see things go your way
I'm coughing up my time
each drag's a drop of blood a grain
a minute of my life
it's all I've got just to stay down
why the fuck am I still down
I'm hoarding all that's mine
each time I let just one slip by
I'm wasting what is mine
Goodbye to you, goodbye to you, you're taking up my time (3x)
Goodbye to you, goodbye to you
My time (3x)
I'm about to see a million things
I thought I'd never see before and I
I'm about to do all of the things
I've dreamed of and
I don't even miss you at all
(2x)
Goodbye to you, goodbye to you, you're taking up my time (7x)
Goodbye to you, goodbye to you
