

## Bulimic

## The Used

From the way that you acted  
to the way that I felt it  
It wasn't worth my time  
and now it's sad cause all I missed  
wasn't that good to begin with  
and now that I've started you begging  
saying things that you don't mean  
it isn't worth my time  
a line's a dime a million times  
and I'm about to see all of them  
Goodbye to you, goodbye to you, you're taking up my time (3x)  
Goodbye to you, goodbye to you  
You call my name when I wake up  
to see things go your way  
I'm coughing up my time  
each drag's a drop of blood a grain  
a minute of my life  
it's all I've got just to stay down  
why the fuck am I still down  
I'm hoarding all that's mine  
each time I let just one slip by  
I'm wasting what is mine  
Goodbye to you, goodbye to you, you're taking up my time (3x)  
Goodbye to you, goodbye to you  
My time (3x)  
I'm about to see a million things  
I thought I'd never see before and I  
I'm about to do all of the things  
I've dreamed of and  
I don't even miss you at all  
(2x)  
Goodbye to you, goodbye to you, you're taking up my time (7x)  
Goodbye to you, goodbye to you
