

Give Me Love

The Used

I lived out more than a little,
Give my insides out til there's nothing left to see.
Stepped down, left in the middle of the mess you made,
The mess I used to be.
So give me love,
Give me every little bit of your broken heart
My heart skips a beat.
So give me love, give me love, love, love
My insides out, there's nothing left to see.
Now I needed to find, now I needed to find out on my own,
I needed to find, now I needed to find out on my own!
From my head all the way to my feet,
Strange is what I've become.
Would you ask for a little more of me,
Why can't I find it?
Empty, where my heart used to be!
Now I'm looking in the mirror, I see this monster that is me!

Gave up more than a little,
Just to watch you bleed, left broken words behind,
Give me love, give me love, love, love
Insides out, til there's nothing left to see.
Now I needed to find, now I needed to find out on my own,
I needed to find, now I needed to find out on my own!
From my head all the way to my feet,
Strange what I've become!
Would you ask for a little more of me,
Why can't I find it?
Empty, where my heart used to be!
Now I'm looking in the mirror, I see this monster that is me!
Now I needed to find, now I need to find out on my own,
I needed to find, now I needed to find out on my own,
Now I needed to find, now I need to find out on my own,
Now I needed to find, now I needed to find out on my own!
[On my own, on my own, on my own...]
From my head all the way to my feet,
Strange what I've become!
Would you ask for a little more of me,
Why can't I find it?
Empty, where my heart used to be! [Where my heart used to be]
Now I'm looking in the mirror, I see this monster that is me!
