

Take It Away

The Used

Life's greatest questions have always been: Who am I? Where did I come from?
Why am I here? Where am I going? You are about to see and hear one of the most significant messages given to us from God.

Get down

Woooooooo!

Get down

I'm lying to myself

And this dagger's my excuse

I'm a pawn

I Should have paid up

And I left an hour late

I was laid up

I must abuse myself

I'm against all that I've made up

Set in stone the sun will come

And I hate light

You know I hate light

To me it looks so pretty burning

Burn the sun

Burn the light

Take take take take take take it away

Take my hand

Take my life

Take take take take take take it away

I must have caught something

In the heat of all these dances

I'm a worm with no more chances

And I've lost all doubt

In a chemical romance

I can't stop itching

over thoughts of tarnished hope

kinda funny

lonely feeling

I'm not in love

You know it's not love

Don't make it look so pretty burning

Burn the sun

Burn the light

Take take take take take take it away

Take my hand

Take my life

Take take take take take take it away

Burn the sun

Burn the light

Take take take take take take it away

Take my hand

Take my life

Take take take take take take it away

Brothers and sisters

I'm right here with you

Cause everyone's got one

A story to kill me

I'm so apathetic in my resentment

Living, loving, knowing not

Take my hand (8x)

Take my life

Take my heart take my mind

Take my life take my life
Burn the sun burn the light
Take take take take take take it away
Take my hand take my life
Take take take take take take it away
Burn the sun burn the light
Take take take take take take it away
Take my hand take my life
Take my life
Take my life
