

Ghost Town

The Vaccines

I've been driving in my car
Trying to find some sign of life
No one's about and it's kinda creepy
It's an understatement to say it's sleepy

It's a ghost town where no one goes
It's a ghost town where no one goes

Well you think your town is pretty boring
Come and spend a day with me
I am asking real politely
I'm afraid to be alone

It's a ghost town where no one goes
It's a ghost town where no one goes

Apocalyptic, distressing, needs addressing and I'm
guessing
Everybody likes to go... I know, I know, I know

It's a ghost town where no one goes
It's a ghost town where no one goes

It's a ghost town...
