

I Always Knew

The Vaccines

Down, down in my bones, somewhere I'd never have known, right at the back
Of my head.

It hit me like a beam of light, hit me like a hook of the right
and I could
Have fell to the floor.

'Cos you talk to me and it comes off the wall, you talk to me and it goes
Over my head. So let's go to bed before you say something real,
let's go
To bed before you say how you feel.

'Cos it's you oh oh it's always you oh oh I always knew oh oh it's you.

I try my best to unwind, nothing on my mind but you. Oblivious to all that
I'll owe, I'm hanging on to what I don't know.

So let's go to bed before you say something real, let's go to bed before
You say how you feel.

'Cos it's you oh oh it's always you oh oh I always knew oh oh it's you.

Yeah it's you oh oh it's always you oh oh I always knew oh oh it's you.

Well It's you oh oh it's always you oh oh I always knew oh oh it's you.

Well I knew
Well I always knew
Yes I always knew
Oh oh it's you
