

Melody Calling

The Vaccines

Oh I,
How could I go on with it much further?
I didn't think that it would go any further,
But now it has and it's making me nervous,
A wonderful motion,
That is carrying in your every notion,
Oh I,
I think I might be losing my mind

Because when I hear a melody calling,
It's your melody calling?
Isn't anyone calling?
Melody calling

Melody calling [4x]

Oh I (Oh, I)
I just hear the undeniable order,
I hear it coming while you are colder
I hear it moving and cooling the border,

And crossing the ocean,
And carrying your every notion
Oh I,
I think, I might be losing my mind

Because when I hear a melody calling,
It's your melody calling
Isn't anyone calling?
Melody calling
Melody calling [4x]

Oh, when I hear a melody calling,
It's your melody calling
Isn't anyone calling?
Melody calling

Melody calling [4x]
