

# Melody Calling

The Vaccines

Oh I,  
How could I go on with it much further?  
I didn't think that it would go any further,  
But now it has and it's making me nervous,  
A wonderful motion,  
That is carrying in your every notion,  
Oh I,  
I think I might be losing my mind

Because when I hear a melody calling,  
It's your melody calling?  
Isn't anyone calling?  
Melody calling

Melody calling [4x]

Oh I (Oh, I)  
I just hear the undeniable order,  
I hear it coming while you are colder  
I hear it moving and cooling the border,

And crossing the ocean,  
And carrying your every notion  
Oh I,  
I think, I might be losing my mind

Because when I hear a melody calling,  
It's your melody calling  
Isn't anyone calling?  
Melody calling  
Melody calling [4x]

Oh, when I hear a melody calling,  
It's your melody calling  
Isn't anyone calling?  
Melody calling
