

Radio Bikini

The Vaccines

Return to bikini
Return to bikini, oh
Return to bikini
Return to bikini
Well mines on the rocks
In sandals and socks
Sentimentally sad
Drink a Coca Cola in bed

But this is Radio Bikini
Saying "don't you wanna see me?"
Across a European summer
Oh c'mon c'mon c'mon c'mon c'mon c'mon c'mon

Return to bikini
Return to bikini, oh
Return to bikini
Return to bikini
Well mines on the fire
But if you want to lighten the mood
Sugar coated in sun
With enough for everyone

But this is Radio Bikini
Saying "don't you wanna see me?"
Across a European summer
Oh c'mon c'mon c'mon c'mon c'mon c'mon c'mon

I came so close
Right out of the blue
Now I got you

Return to bikini
Return to bikini, oh
Return to bikini
Return to bikini
Well mines on the coast
With opportunities ghost
And visions according to die where nobody knows me

But this is Radio Bikini
Saying "don't you wanna see me?"
Across a European summer
Oh c'mon c'mon c'mon c'mon c'mon c'mon c'mon

This is radio bikini
Saying i'm on television
Across another in the summer
Oh c'mon (17x)
